

A photograph of the entrance to the Upper Trinity Regional Water District. On the left, three flagpoles stand tall against a blue sky with wispy clouds. The top flag is the district's logo, the middle is the Texas state flag, and the bottom is the United States flag. In the foreground on the right, a stone wall features the name 'UPPER TRINITY' in large green letters, with 'REGIONAL WATER DISTRICT' and '1908 KEELY' in smaller black letters below. The background is filled with lush green trees and bushes.
